

Request for Dependent I-20 for F-2 Visa

For International Students in The Tseng College

The only people who can be a dependent on a student's F-1 visa are minor children or a spouse (spouse = a husband or a wife). If any other relatives want to accompany an F-1 student to the US, they must make other arrangements, such as using a B-2 Visitor visa.

Individuals in F-2 status may not work or engage in business under any circumstances.

F-2 children can be full-time students only while in grades K-12 (Kindergarten through the last year of high school). After high school, to study full-time, the dependent must become an F-1 visa-holder.

F-2 spouses CANNOT study full-time.

Submit one form for each dependent.

Dependent's COUNTRY of BIRTH: _____

1. ATTACH A COPY OF DEPENDENT'S PASSPORT.
2. ATTACH A COPY OF MARRIAGE LICENSE IF REQUEST IS FOR YOUR SPOUSE. ATTACH A COPY OF BIRTH CERTIFICATE IF REQUEST IS FOR YOU CHILD.
3. Possibly may need to attach an updated financial document. The financial section of the primary F-1 visa holder's I-20 must be updated to show addition cost of depends. For a spouse, \$5,000 is added to 'Estimated Average Costs' in the Financials section of the I-20. For each child, \$3,000 is added. Please submit a bank statement or bank letter with a higher balance ONLY IF the evidence of financial support submitted to obtain the original I-20 for the primary, F-1 student, is not enough to cover the additional cost of dependents. If the F-1 is on a government scholarship, the financial guarantee usually covers dependents, so more financial support evidence probably will not be required.
